WEEKLY NEWSLETTER
KEEP UP TO DATE WITH WHAT'S GOING ON IN THE COMMUNITY
SPRING 2021

Good morning CSM,

We hope this email finds you well! Welcome to our weekly newsletter. We will be using our weekly newsletter to deliver updates and keep you informed on what is happening in the CSM community.

First SLG Meeting of the Semester:

We recently had our first meeting of the semester with the Senior Leadership Group of the College. A number of interesting initiatives came up during our meeting and we are looking forward to seeing these collaborations out. More updates will be released in the coming weeks.

Politics and Activism Trivia Collaboration Event:

We will be collaborating with the College Democrats and Feminist Action at Middlebury in the month of April for a trivia event! If you are interested in helping on logistics, please see the Slack channel for events! (Speaking of Slack, if you haven't already joined and are interested in doing so, use this link to be added).

Agenda for Friday

Here is a link to our agenda for Friday! If you have any questions or want to bring something up, please contact @Myles Maxie to add it to the agenda. We hope to see you there. Bring a friend as well! It will be a great time.

That's is all for this email update! If you have any questions, comments or concerns please feel free to reach out! Hope to see you soon and remember to always be the change in the world you want to see happen.
